MEMORANDUM

SUBJECT: Visit of Captain Hamilton W. Howe USN  
Naval War College, Newport.

Last year [redacted] addressed the Naval War College on the subject of "Foreign Intelligence Agencies," which the College feels was a scholarly presentation very well done. Would like to have him again for the next class. His talk would be scheduled some time in February 1950. They would like to know as soon as possible whether or not [redacted] can make the talk, since in the event he cannot, they will endeavor to get someone from ONI. Captain Howe was told that he should hear from us some time next week.

If he makes the talk, the following question was raised:

Should they exclude the following:

- 4 Royal Navy officers
- 4 Royal Canadian Officers
- 1 State Department representative  
(Mr. Gerald Keith, Counselor of  
Embassy, London)

Another point which Capt. Howe is wanting to know:

Will the DCI require any visual aids in connection with his talk there on the 26th? If so, they would like to receive them promptly. Charts for slides should not be too detailed in each - it is better to have several, giving a breakdown - which give better reproduction on the screen.
